(b) Excluded Liabilities. Except as provided in Section 2.7(a) hereof, Purchaser shall not assume or have any responsibility with respect to any Excluded Liability, and Purchaser shall not be deemed by anything contained in this Agreement or any other instrument to have assumed or

become responsible for any Excluded Liability. All Excluded Liabilities shall remain the responsibility of Seller and/or Hanger. "Excluded Liabilities" means all liabilities of Seller and/or Hanger (whether contingent or absolute) other than the Assumed Liabilities, including, without limiting the generality of the foregoing, (i) any liability of Seller and/or Hanger for income and all other Taxes arising in connection with the consummation of the transactions contemplated hereby (including any income taxes arising because Seller and/or Hanger are transferring the Purchased Assets), but not the liability of Purchaser for all transfer, sales and use taxes arising in connection with the consummation of the transactions contemplated hereby as provided in Section 4.2(d) hereof; (ii) any liability of Seller and/or Hanger for Taxes, including Taxes of any person other than Seller or Hanger under Treasury Regulation Section 1.1502-6 (or similar provision of state, local or foreign law), as a transferor or successor, by contract or otherwise; (iii) any liability of Seller and/or Hanger with respect to any indebtedness for borrowed money (other than the Shareholder Note Amount); (iv) any liability of Seller and Hanger arising out of any threatened or pending litigation or other claim; (v) any liability of Seller and/or Hanger, whether arising by operation of law, contract, past custom or otherwise, for unemployment compensation benefits, pension benefits, salaries, wages, bonuses, incentive compensation, severance or termination pay, and other forms of compensation or any other form of employee benefit plan, agreement (including employment agreements), arrangement or commitment payable to or for the benefit of any current or former officers, directors, employees and independent contractors of Seller or Hanger (except as otherwise provided in Section 2.7(a) above as to the inclusion in the Assumed Liabilities of all accrued and unused vacation time and sick time as shown on Schedule 2.7(a) and all obligations of any type as described in the letter severance agreements listed in Schedule 2.7(a)); (vi) any liability under Consolidated Omnibus Budget Reconciliation Act of 1985 ("COBRA") or any state benefit continuation or conversion requirements for qualified beneficiaries who have elected such COBRA and/or state continuation or conversion benefits prior to the Closing Date or any liability for such COBRA or state continuation or conversion benefits arising out of or in connection with the transaction contemplated under this Agreement (except for any individuals which become the subject of the Transition Services Agreement as described in Section 5.2(k) hereof); (vii) any liability to the extent relating to Sea Fab facilities or the business thereof or the Gel Liner Assets or the business related thereto; (viii) liabilities in respect of accounts payable to Hanger or any direct or indirect subsidiary or other affiliate of Hanger; or (ix) bonuses, if any, which may become payable to Seller's employees for any period of time prior to the Closing Date.

The Purchase Price (and other capitalizable costs of the transactions contemplated by this Agreement) shall be allocated to the Purchased Assets for tax and financial accounting purposes in accordance with Section 1060 of the Code and as set forth in Schedule 2.8 hereto (the "Allocation"). Seller and Purchaser affirm that said allocation is fair and equitable. Neither Seller nor Purchaser shall take a position inconsistent with the allocation of the Purchase Price (and other capitalizable costs of the transactions contemplated by this Agreement) set forth in Schedule 2.8 hereto for all federal, state, local and foreign tax purposes for any tax years or periods, including the determination of taxable gain or loss on the sale of the Purchased Assets. In the event that the information necessary to complete Schedule 2.8 is not available on or before the Closing Date, the parties shall use their best efforts to agree to the Allocation to be set forth on Schedule 2.8 within sixty (60) days after the Closing Date. In the event that the parties are unable to agree to the Allocation within such 60-day period, then each of the Seller and the Purchaser shall each designate an accounting firm and such accounting firms shall use their best efforts during the thirty (30) day period immediately following the expiration of the 60-day period set forth

above to determine the Allocation. If the accounting firms are unable to agree on an Allocation within such 30-day period, then such accounting firms shall mutually agree on a third accounting firm to determine the Allocation and such determination shall be conclusive and binding on the parties. Each party shall be responsible for the fees and costs of its own accounting firm and the Seller and Purchaser shall each be responsible for one-half of the fees and costs of the third accounting firm.

2.9 Closing. The closing of the sale and purchase of the Purchased Assets (the "Closing") pursuant to this Agreement shall take place at the offices of Foley & Lardner, 3000 K Street, N.W., Washington, D.C. 20007 at 10:00 a.m. local time on October 9, 2001 (the "Closing Date"), or at such other time and place as the parties may agree. All of the actions taken and instruments and other documents delivered at the Closing shall be deemed to be taken or delivered, as the case may be, simultaneously. No action taken or delivery made at the Closing shall be effective until all actions to be taken, and deliveries to be made, at the Closing are completed (the "Effective Time").

Representations and Warranties

3.1 Representations and Warranties of Seller. Seller hereby represents and warrants to Purchaser that:

(a) Organization, Qualification and Corporate Power. Seller is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware. Seller is duly qualified to do business as a foreign corporation and is in good standing under the laws of each jurisdiction where the nature of its activities or of its properties owned or leased makes such qualification necessary, except any jurisdiction in which the failure to be so qualified and in good standing would not, individually or in the aggregate, have a Material Adverse Effect (as defined in Section 5.1(c) of this Agreement) on the business, assets, operations or financial condition of Seller. Set forth in Schedule 3.1(a) hereto is a list of each jurisdiction in which Seller is qualified to do business as a foreign corporation. Seller has all requisite power and authority (corporate or

otherwise) to own and operate its properties and to carry on its business as now being conducted. Seller has all requisite power and authority (corporate or otherwise) to execute and deliver this Agreement and to consummate the transactions contemplated hereby. True and correct copies of the Certificate of Incorporation of Seller, as amended to date, the Bylaws of Seller, and all minutes and actions of the stockholders and board of directors of Seller have been delivered or made available to Purchaser, and all actions taken and required to be taken prior to the date hereof are properly reflected in such minutes and actions. Set forth in Schedule 3.1(a) hereto are true and correct lists of the directors and officers of Seller as of the Closing Date. Seller does not have any direct or indirect interest in any other firm, corporation, partnership, limited liability company, joint venture, association or other business organization, except for the Research and Development Agreement with Sandia Corporation dated September 12, 2000, and membership in The American Orthotic and Prosthetic Association.

(b) Corporate Authorization; Binding Agreement. The execution and delivery of this Agreement by Seller, and the consummation of the transactions contemplated hereby, have been duly authorized by all necessary action on the part of Seller, including, if required under applicable law or under the Certificate of Incorporation and Bylaws of Seller, the approval of Hanger as sole stockholder of Seller. This Agreement and all other instruments required hereby to be executed and delivered by Seller have been, or will be, duly executed and delivered by authorized officers of Seller and are, or when delivered will be, legal, valid and binding obligations of Seller, enforceable against Seller, in accordance with their terms, subject, as to enforceability, to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting creditors' rights and to general principles of equity.

(c) No Conflicts with Other Instruments. Except as provided in Section 3.1(d) hereof, the execution and delivery of this Agreement by Seller, and the consummation of the transactions contemplated hereby, will not (i) violate any constitution, statute, regulation, rule, injunction, judgment, order, decree, ruling, charge or other restriction of any government, governmental agency or court to which Seller is subject or any provision of the Certificate of Incorporation or Bylaws of Seller, or (ii) conflict with, result in a breach of, constitute a default under, result in the acceleration of, create in any party the right to accelerate, terminate, modify or cancel, or require any notice under any agreement, contract, lease, license, instrument or other arrangement to which Seller is a party or by which Seller is bound or to which any of Seller's assets is subject (or result in the imposition of any lien or other encumbrance upon any of Seller's assets) which has not been previously waived in writing by Purchaser on written notice previously given, except for any such violation, conflict or default that, individually or in the aggregate, would not, individually or in the aggregate, have a Material Adverse Effect.

(d) Notices, Consents and Approvals. Except as set forth in Schedule 3.1(d) hereto, Seller is not required to give any notice to, make any filing with, or obtain any authorization, consent or approval of any governmental authority or other entity in order for the parties hereto to consummate the transactions contemplated by this Agreement, except where the failure to give such notice, to file, or to obtain any such authorization, consent or approval would not, individually or in the aggregate, have a Material Adverse Effect on the ability of Seller, or a Material Adverse Effect on the ability of the other parties to this Agreement, to consummate the transactions contemplated by this Agreement.

(e) Capitalization. The entire authorized capital stock of Seller consists of (i) One Thousand (1,000) shares of Common Stock, par value \$.01, of which One Thousand (1,000) shares are issued and outstanding, all of which are owned of record by Hanger. All of such issued and outstanding shares of Seller have been duly and validly authorized and issued and are fully paid and nonassessable. There are no outstanding subscriptions, contracts, conversion privileges, options, warrants, calls or other rights obligating Seller to issue, sell or otherwise dispose of, or to purchase, redeem or otherwise acquire, any equity interests in Seller. There is no agreement, restriction or encumbrance to which Seller or Hanger is a party or by which any of them is bound (such as a right of first refusal, right of first offer, option, voting trust, proxy, power of attorney or the like) with respect to the acquisition, disposition or voting of equity interests in Seller.

(f) Claims and Proceedings. Except as set forth in Schedule 3.1(f) hereto, there is no pending or, to the knowledge of Seller, threatened legal action, suit, arbitration or other legal, administrative or governmental proceeding or investigation relating to Seller or any of its properties (including, without limitation, the Leased Facility), assets or business, including, without limitation, any action, proceeding or investigation relating to product liability, anti-trust or anti-competition, intellectual property infringement or misappropriation, or environmental matters, and Seller is not subject to any outstanding order, judgment, writ, injunction or decree of any court or governmental authority.

(g) Product Liability. Except as set forth in Schedule 3.1(g) hereto, during the past five years there have been no (i) product liability claims made with Seller (whether or not brought in court) or actions brought against Seller in any court, (ii) recalls mandated, (iii) settlements made, or (iii) to the knowledge of Seller, governmental investigations instituted with respect to any of the products manufactured, sold or held for sale by Seller. To the knowledge of Seller, no such products may become in any respect faulty or defective or fail to comply with any applicable regulations, standards or requirements or their terms of sale. All products made by Seller relating to the Business and, to the knowledge of Seller, all products made by third parties which are sold or held for sale by Seller in the Business comply with all Food and Drug Administration and other applicable regulatory requirements. Schedule 3.1(g) sets forth all product liability claims, whether or not as actions brought in court.

(h) Financial Statements. Attached as Schedule 3.1(h) hereto are (a) unaudited balance sheets and income statements of Seller as of December 31, 1999 and as of December 31, 2000, for each of the years then ended, and (b) an unaudited balance sheet and income statement of Seller (the "Balance Sheet") as of May 31, 2001 (the "Balance Sheet Date"). Such financial statements (i) are in accordance with the books and records of Seller, and (ii) present fairly the financial condition of Seller at the balance sheet dates. To the knowledge of Seller, Seller has made available to Purchaser all the work papers requested by Purchaser which were used by Seller to create its financial statements and the Balance Sheet. To the knowledge of Seller, other than as and to the extent disclosed or reserved against in the Balance Sheet or the notes thereto, Seller has no material liabilities or obligations of any nature whatsoever (whether accrued, absolute, contingent, asserted, unasserted or otherwise, and whether due or to become due, including, without limitation, deferred compensation obligations or tax or product liabilities, and whether incurred in respect of or measured by income for any

period up to and including the Closing Date or arising out of transactions entered into, or any state of facts existing, prior to or on the Closing Date) except: (i) liabilities and obligations incurred in the Ordinary Course of Business since the Balance Sheet Date, (ii) liabilities and obligations set forth in, or arising under, leases, agreements, contracts or commitments set forth in any schedule hereto, and (iii) liabilities and obligations which would otherwise be required to be disclosed pursuant to the representations and warranties set forth in the various paragraphs of this Section 3.1 but are not so disclosed by reason of the express exceptions to disclosure included in the various paragraphs of this Section 3.1.

(i) Tax Matters. The term "Taxes" means all federal, state, local, foreign and other net income, gross income, gross receipts, ad valorem, franchise, profits, license, lease, service, service use, withholding, payroll, employment, excise, severance, stamp, occupation, premium, property, windfall profits, customs, duties or other taxes, fees, assessments or charges of any kind whatever, together with any interest and any penalties, additions to tax or additional amounts with respect thereto, and the term "Tax" means any one of the foregoing Taxes other than any sales, use and/or transfer taxes arising in connection with the consummation of the transactions contemplated hereby for which Purchaser shall be solely liable as provided in Section 4.2(e) hereof. Seller has timely filed all Tax returns (including information returns and estimates) required to be filed by it, including, but not limited to, those with respect to income, premiums, withholding, social security, unemployment, franchise, ad valorem, excise and sales Taxes, and has paid all Taxes owed by it (whether or not shown on any returns) and has paid all assessments made against it to the extent such have become due, except as set forth on Schedule 3.1(i) hereto. All of such returns and estimates were complete and accurate in all material respects, except as set forth on Schedule 3.1(i) hereto. Except as provided in Schedule 3.1(i) hereto, to the knowledge of Seller no Tax returns filed by Seller are currently being audited and no claims for additional taxes have been made by any taxing authority and are pending. Seller has not received a notice of deficiency or assessment of additional Taxes which notice or assessment remains unresolved, and to the knowledge of Seller no taxing authority has asserted or proposed to assert any deficiency or assessment. Proper and accurate amounts have been withheld by Seller from its employees and paid for Tax purposes in compliance with all applicable laws. To the knowledge of Seller, Seller has collected and/or paid all sales and use Taxes required to be collected or paid by Seller. The reserve for Taxes (other than any reserve for deferred taxes) in the Balance Sheet is adequate to cover all accrued but unpaid Taxes of Seller as of the Balance Sheet Date and any Taxes which would have accrued as of such date but which are being contested in good faith (all of which contested taxes are disclosed on Schedule 3.1(i)). Seller has not extended the time for assessment or payment of any Tax, except as set forth on Schedule 3.1(i) hereto. To the knowledge of Seller, the Tax returns for Seller present fairly and accurately all information contained therein. There are no liens for Taxes (other than current Taxes not yet due and payable) upon the Purchased Assets. The Seller is not party to any tax sharing or reporting agreement or arrangement. The Seller has not entered into any arrangement with any taxing authority to toll the statute of limitations with respect to any Tax.

- (iii) no equity interests of Seller have been purchased, redeemed or otherwise acquired, directly or indirectly, by Seller from any stockholder;
- (iv) no equity interests or other securities of Seller, or options or other rights of the type referred to in Section 3.1(e) hereof, have been issued or authorized for issuance;

- (vi) Seller has not entered into any commitment to do any of the foregoing.
- (k) Facility Lease. The only real property and facility lease of Seller which will be assigned to Purchaser shall be the Facility Lease for Seller's location in Poulsbo, Washington, which is attached hereto as Schedule 1.1(a) (the "Leased Facility"). Except for the transactions

contemplated by this Agreement and the sublease of a certain portion of the Leased Facility to Otto Bock on terms previously disclosed in writing to Purchaser, no person or entity has any rights in, or rights to acquire any interest in Seller's interest in the Leased Facility. To the knowledge of Seller, there is no pending or threatened condemnation or transfer in lieu thereof affecting the Leased Facility or any proposed or pending special assessments against the Leased Facility which may give rise to special assessments against the Leased Facility and which is not reflected in the Balance Sheet. Except for any required landlord consent (which Seller shall deliver prior to Closing), the Facility Lease constitutes the legal, valid and binding obligation of the parties thereto enforceable according to its terms, is assignable to Purchaser, and will continue in full force and effect immediately after the consummation of the transactions contemplated by this Agreement subject to the landlord's required pre-approval of the assignment of the Facility Lease from Seller to Purchaser, there are no known material disputes pending or threatened under the Facility Lease, and neither Seller nor any other party thereto is in default (nor has any event or occurrence occurred which, with the giving of notice, the passage of time or both, would constitute a default) under the terms of the Facility Lease. To the knowledge of Seller, all improvements on the parcels subject to the lease for the Leased Facility and all parts thereof, including, without limitation, all mechanical, electrical and plumbing systems, roofs and structures, are in good condition without any defects or deficiencies that would materially inhibit or interfere with the operation of the business of Seller. To the knowledge of Seller, there are no defects or inadequacies in the Leased Facility or any improvements thereon which would materially adversely affect the insurability of such improvements or the premiums for the insurance thereof. To the knowledge of Seller, the Leased Facility is zoned to permit its current use, without special permit, condition or other conditional approvals or arrangements of any kind under applicable zoning laws, and there are no known variances, special exceptions, conditions or agreements pertaining to the Leased Facility imposed or granted by any state, county or municipal governmental authority, any neighborhood or civic group or any similar body, except where failure to comply with any such laws would not, individually or in the aggregate, have a Material Adverse Effect. To the knowledge of Seller, no written notice from any city, county or other governmental authority has been received by Seller requiring or calling attention to the need for any work, repair, construction, alteration or installation on, or in connection with, the Leased Facility or any improvement thereof, and Seller has no reasonable basis to believe that any such notice will be issued. The Leased Facility has connection to septic, water, electricity, gas, telephone and all other necessary utilities for their current use and, to the knowledge of Seller, there are no existing circumstances or conditions which could result in the termination of such access or connections for any significant period of time.

(l) Title to Assets. Except as set forth in Schedule 2.5 hereof, Seller has good and marketable title to the Purchased Assets free and clear of any liens, mortgages, pledges, encumbrances, defects or other restrictions or rights of third parties. In the case of personal properties used by Seller in connection with its trade or business, but not owned by it, Seller has a valid, binding and enforceable right to use such properties pursuant to a written lease, license or other agreement or understanding. All leases of personal property held by Seller will (according to their terms), subject to any required consents of any lessors, not be changed or voided by the Closing of the asset acquisition transaction which is the subject of this Agreement, there are no material disputes pending or threatened under any of such leases,

No representation has been made to any employee or former employee of Seller with respect to any plan which would entitle such employee to benefits greater than or in addition to the benefits provided by the actual terms of the plan, including, without limitation, representations as to post-retirement health or death benefits. A true and correct copy of each of the plans and agreements listed in Schedule 3.1(m) hereto, together with (i) the summary plan description prepared with respect to such plan, if any, (ii) each trust agreement, insurance contract or other funding arrangement relating to any plan, and (iii) any currently effective Internal Revenue Service ruling or determination letter relating to any plan, has been furnished to Purchaser by Seller. No "prohibited transaction" (as defined in Section 4975 of the Code or Section 406 of ERISA) has occurred which involves the assets of any plan which could subject any employees of Seller, an

administrator or other fiduciary of any plan, or a trustee of any trust created under any plan, to the tax or penalty on prohibited transactions imposed by Section 4975 of the Code or the sanctions and penalties imposed on prohibited transactions under Title I of ERISA. No "reportable event" (as defined in Section 4043 of ERISA and the regulations thereunder) has occurred, or will result from the transactions set forth in this Agreement, with respect to any plan. None of the plans is subject to Title IV of ERISA or is subject to the minimum funding requirements of Section 302 of ERISA or Section 412 of the Code. No facts exist which might give rise to any liability of the Seller under Title IV of ERISA or which could reasonably be anticipated to result in any claims being made against Seller by the Pension Benefit Guaranty Corporation ("PBGC") with respect to any "employee pension benefit plan" (as defined in Section 3(2) of ERISA) ever maintained or contributed to by Seller at any time. For purposes of the preceding sentence and the next sentence hereof, the term "Seller" shall also include any entity which is under common control or affiliated with Seller, within the meaning of Section 4001(b)(1) of ERISA and the rules and regulations promulgated thereunder and/or Sections 414(b), (c), (m) or (o) of the Code and the rules and regulations promulgated thereunder. At no time has Seller been required to contribute to, or incurred any withdrawal liability (within the meaning of Section 4201 of ERISA) to any plan which is a multiemployer plan as defined in Section 3(37) of ERISA. There are no officers or employees, current or former, active or inactive, of Seller working outside the United States of America.

Except as set forth in Schedule 3.1(t) hereto, Seller has not experienced material difficulties in securing the merchandise, supplies and services necessary to conduct its business, nor to the knowledge of Seller does it anticipate any material difficulties with respect thereto prior to the Closing Date. No supplier of more than \$25,000 per year during 2000 or the portion of 2001 up to the date of this Agreement in merchandise, supplies or services to Seller has refused to supply further merchandise, supplies or services to Seller and there are no threatened refusals or terminations by any such supplier of its relationship with Seller. To the knowledge of Seller, the relationship of Seller with its current suppliers is satisfactory.

(u) Relationships with Customers. Except as set forth in Schedule 3.1(u) hereto, none of the five largest customers (as measured by sales volume) in merchandise or services of Seller during 2000 or 2001 has refused to continue to purchase further merchandise or services from Seller, and to the knowledge of Seller there are no such threatened terminations or reductions by any such customer of its relationship with Seller. To the knowledge of Seller, the relationship of Seller with its current customers is satisfactory.

(w) Inventory. Except as set forth in Schedule 3.1(w) hereto, there have been no changes in the inventory of Seller since the Balance Sheet Date, except changes in the Ordinary Course of Business which have been duly accounted for on the books and records of Seller. Except as set forth in Schedule 3.1(w) hereto, the booked inventory of Seller (and the previously booked inventory of Seller that has been returned to vendors), net of booked reserves, consists of items of a quality and quantity useable or saleable in the Ordinary Course of Business of Seller immediately prior to the Closing, provided that for purposes of this Section 3.1(w), the sale of any material amount of finished goods inventory at a price insufficient to cover the book value thereof in the ordinary course of business, in the aggregate, shall not be deemed to be in the Ordinary Course of Business of Seller. No inventory is consigned.

(x) Products. Substantially all of the products sold and delivered by Seller have conformed in all material respects with all applicable contractual commitments and all express and implied warranties, and Seller has no knowledge of any material liability (whether asserted or unasserted, whether absolute or contingent, whether accrued or unaccrued, whether liquidated or unliquidated, and whether due or to become due) for replacement or modification thereof or other damages in connection therewith, subject only to liabilities or expenses with respect to nonconforming products reasonably consistent with the amount of such liabilities and expenses historically experienced by Seller. All of the products manufactured, sold and delivered by Seller are sold pursuant to order acknowledgments and other written instruments containing standard terms and conditions of sale or lease. Schedule 3.1(x) hereto includes copies of the standard terms and conditions of sale or lease for products of Seller (containing applicable guaranty, warranty and indemnity provisions). The warranty reserve maintained by Seller is adequate to cover known and anticipated warranty claims.

USMC is duly qualified to do business as a foreign limited liability company and is in good standing under the laws of each jurisdiction where the nature of its activities or of its properties owned or leased makes such qualification necessary, except any jurisdiction in which the failure to be so qualified and in good standing would not have a material adverse effect on the business, assets, operations or financial condition of USMC and all its subsidiaries taken as a whole or the financial condition of USMC. In the event of a Purchaser Assignment, the Assignee Purchaser shall, as of the Closing Date, be duly qualified to do business as a foreign entity of its type and shall be in good standing under the laws of each jurisdiction where the nature of its activities or of its properties owned or leased makes such qualification necessary, except any jurisdiction in which the failure to be so qualified and in good standing would not have a Material Adverse Effect on the business, assets, operations or financial condition of Assignee Purchaser and all its subsidiaries taken as a whole or the financial condition of Assignee Purchaser. True and correct copies of the certificate of formation and limited liability company agreement of USMC in effect as of the date of this Agreement have been provided or made available to Seller. This Agreement and all other instruments required hereby to be executed and delivered by USMC have been, or will be, duly executed and delivered by authorized officers of USMC and are, or when delivered will be, legal, valid and binding obligations of USMC, enforceable against USMC in accordance with their terms, subject, as to enforceability, to bankruptcy, insolvency, reorganization and other laws of general applicability relating to or affecting creditors' rights and to general principles of equity.

(c) No Conflicts with Other Instruments. The execution, delivery and performance of this Agreement will not (i) violate any constitution, statute, regulation, rule, injunction, judgment,

order, decree, ruling, charge or other restriction of any government, governmental agency or court to which Purchaser is subject or any provision of the certificate of formation or limited liability company agreement of USMC or, in the event of a Purchaser Assignment, the organizational documents of the Assignee Purchaser, or (ii) conflict with, result in a breach of, constitute a default under, result in the acceleration of, create in any party the right to accelerate, terminate, modify or cancel, or require any notice under any agreement, contract, lease, license, instrument or other arrangement to which Purchaser is a party or by which Purchaser is bound or to which any of Purchaser's assets is subject (or result in the imposition of any lien or other encumbrance upon any of Purchaser's assets).

(d) Notices, Consents and Approvals. Purchaser does not need to give any notice to, make any filing with, or obtain any authorization, consent or approval of any governmental authority or other person or entity in order for the parties hereto to consummate the transactions contemplated by this Agreement, except where the failure to give notice, to file or to obtain any authorization, consent or approval would not have an adverse effect on the ability of the parties hereto to consummate the transactions contemplated by this Agreement.

(e) Claims and Proceedings. There is no legal action, suit, arbitration or governmental proceeding or investigation pending or threatened against or affecting Purchaser that could adversely affect or prevent the consummation of the transactions contemplated hereby.

(f) Fees. Purchaser does not have any liability or obligation to pay any fees or commissions to any broker, finder or agent with respect to the transactions contemplated by this Agreement. (a) Normal Course of Business. From the date hereof until the Effective Time, except for entering into this Agreement and consummating the transactions expressly contemplated hereby or to the extent that Purchaser shall give its prior written consent, Seller shall, and Hanger shall cause Seller to, maintain its corporate existence; maintain the general character of its business and proper business and accounting records; maintain its tangible properties in good repair and condition, ordinary wear and tear excepted; maintain all presently existing insurance coverage under which it is a beneficiary; use reasonable efforts to preserve its business organization intact, to keep the services of its present principal employees and to preserve its goodwill and the goodwill of

(b) Actions Prior to the Effective Time. From the date hereof until the Effective Time, except to the extent that Purchaser shall otherwise consent in writing, Seller shall not, and Hanger shall not permit Seller to: amend or otherwise modify its Certificate of Incorporation, Bylaws or any contract listed in Schedule 3.1(m) hereto (except modifications in the Ordinary Course of Business to purchase or sale orders for merchandise or supplies); reduce its level of inventory in a manner inconsistent with past business practices; make any changes affecting its banking or safe deposit arrangements; merge or consolidate with, or sell all or substantially all of its assets to, any other person or corporation; acquire any other business; take any of the actions described in Section 3.1(j) hereof; enter into any other transaction other than in the Ordinary Course of Business; or enter into any commitment to do any of the foregoing.

(c) Access to Properties and Records. From the date hereof through the Effective Time, Seller and Hanger shall permit Purchaser and its representatives reasonable access during regular business hours to the properties of Seller and shall make their management and other employees and agents and authorized representatives (including counsel and independent public accountants) available to confer with Purchaser and its representatives regarding Seller and the Business, and Seller and Hanger shall disclose and make available to Purchaser, and shall use their best efforts to cause the agents and authorized representatives of Seller to disclose and make available to Purchaser, all books, papers and records relating to the assets, properties, operations, obligations and liabilities of Seller and of Hanger (as they relate to Seller), including, but not limited to, all books of account (including the general ledger), financial statements, tax records, tax returns, minute books of meetings of directors, committees and stockholders, organizational documents, Bylaws, contracts and agreements, loan files, filings with any regulatory authority, accountants' work papers, litigation files, employment agreements or employee plans affecting employees and any other business activities or prospects of Seller, as Purchaser may from time to time reasonably request; provided, however, that no such access or disclosure shall in any way affect, diminish or terminate any of the representations, warranties or covenants of Seller or Hanger herein expressed.

(i) the receipt of any notice of, or other communication relating to, a default or event which, with notice or lapse of time or both, would become a default under any contract listed in Schedule 3.1(m) hereto;

(ii) the receipt of any notice or other communication from any third party whose consent or approval is or may be required in connection with the transactions contemplated by this Agreement, denying such consent or approval;

(iii) the receipt of any notice or other communication from any governmental regulatory agency or authority in connection with the transactions contemplated hereby;

(iv) any material adverse change in its Business, assets, operations, financial condition, management, employee relations or customer relations, or the occurrence of an event or development concerning the foregoing which, so far as reasonably can be foreseen at the time of its occurrence, could result in any such change; and

(v) any condition or fact which would not permit it to satisfy any condition set forth in Section 5.1 hereto required to be satisfied by Seller or Hanger.

(e) Approvals, Consents and Other Matters. Seller and Hanger shall take all necessary action to obtain any approvals of regulatory authorities, consents and other approvals required to carry out the transactions contemplated by this Agreement, without creating any violations of any laws or any defaults (or liens on assets) under, or breaches or terminations of, or increases in the consideration payable by Seller under, any agreements, and shall cooperate with Purchaser to obtain all such approvals and consents. Seller and Hanger shall use their best efforts to satisfy at or before the Effective Time each of the conditions set forth in Section 5.1 hereto required to be satisfied by Seller or Hanger.

(f) Confidentiality. Seller and Hanger shall hold in strict confidence all documents and information concerning Purchaser furnished to them and their representatives in connection with the transactions contemplated by this Agreement and shall not release or disclose such information to any other person, except as required by law, judicial or administrative order, or rule or regulation of the Securities and Exchange Commission or any applicable securities exchange, and except to their accountants, attorneys and Seller personnel in connection with this Agreement, with the same undertaking from such accountants, attorneys, financial advisors and Seller personnel. Regardless of whether the transactions contemplated by this Agreement shall be consummated, such confidence shall be maintained and such information shall not be used in competition with Purchaser and all such documents shall be, immediately after the Effective Time or the termination of this Agreement, as the case may be, returned to Purchaser. Notwithstanding the foregoing, such information shall not be considered confidential if it (i) was already properly in Hanger's or Seller's possession, (ii) is or becomes generally available to the public other than as a result of disclosure by any of Hanger, Seller or their representatives, (iii) becomes available to Hanger or Seller on a non-confidential basis from a source other than Purchaser; or (iv) is independently developed by Hanger or Seller through persons who have not had, directly or indirectly, access to any non-public information.

(g) Transactions Relating to Seller Equity Interests. From and after the date hereof until the Effective Time, neither Seller nor Hanger shall enter into, directly or indirectly, any discussions, negotiations or agreement with any other potential purchaser with respect to sale of the

Business or any part thereof or any merger or consolidation of Seller or the sale, transfer, pledge, encumbrance or disposal of any of Hanger's equity interest in Seller.

(h) Release of Information. From and after the date hereof until the Effective Time, no party to this agreement shall release information to the public concerning this Agreement or the transactions contemplated herein without the prior written consent of the other parties unless required by law, judicial or administrative order, or rule or regulation of the Securities and Exchange Commission or any applicable securities exchange.

(i) Tax Matters.

(i) Seller shall make no new elections with respect to Taxes, or any changes in current elections with respect to taxes, affecting the Purchased Assets after the date of this Agreement without the consent of Purchaser.

(ii) Seller shall retain, until the applicable statute of limitations have expired, copies of all Tax returns, supporting work schedules and other records or information which may be relevant to such returns for all Tax periods or portions thereof ending on or before the Closing Date, and shall provide Purchaser with a reasonable opportunity to review and copy such records. The parties shall cooperate in responding to any inquiry or audit with respect to such records. Such cooperation shall include, without limitation, each of Seller's and Purchaser's obligations to provide one another, in a timely fashion, with all available and necessary documents, invoices, records and any other materials reasonably necessary to respond to any such inquiry or audit, upon either party's written request to the other.

(iii) Seller shall pay any income taxes applicable to Seller and/or Hanger as a result of its sale of the Purchased Assets to Purchaser, but with Purchaser being solely liable for all transfer, sales and use taxes arising in connection with the consummation of the transactions contemplated hereby as provided in Section 4.2(d) hereof.

(j) Excluded Liabilities. From and after the Closing Date, Seller shall be responsible for all liabilities of Seller other than the Assumed Liabilities.

(k) Covenant Not to Compete.

(i) In consideration of the payment by Purchaser of the Purchase Price, Seller and Hanger each hereby agree that, for the period of five (5) years from the Closing Date, it shall not, directly or indirectly through any person controlled by it (hereinafter collectively referred to as "Affiliates"), alone or in association with any other person, firm, corporation or other business organization:

(1) engage in or have any interest in any business which is engaged in activity competitive with the Business anywhere in the world (hereinafter, a "Competitive Business"); provided, however, that notwithstanding anything contained in this Agreement to the contrary, nothing in this Agreement shall be

construed to limit or restrict in any way (i) the ability of any person or entity to purchase any securities issued by Hanger or (ii) Hanger to merge or combine with any other entity; provided, that such merger or combination shall not be an acquisition by Hanger of a prosthetic component manufacturer unless the Board of Directors of Hanger immediately prior to such acquisition constitute less than a majority of the Board of Directors of Hanger or such successor organization immediately following such an acquisition; and provided, further, that Hanger hereby represents to Purchaser that except for the sale of the Purchased Assets to Purchaser, Hanger is not, as of the Closing Date, a party to any agreement whereby Hanger would merge or combine (whether by a sale of stock or assets or a recapitalization, tender offer, "going private" transaction, consolidation or other transaction) with any other entity, and as of the Closing Date no proposal for any such transaction is under negotiation or other consideration by Hanger's management, board of directors or stockholders, and except as set forth in Hanger's public filings with the Securities and Exchange Commission, Hanger is not, as of the Closing Date, a party to any agreement whereby Hanger would sell or otherwise issue any of Hanger's securities to any person or entity, and as of the Closing Date no proposal for any such transaction is under negotiation or other consideration by Hanger's management, board of directors or stockholders; or

(2) in any way, directly or indirectly, for the purpose of conducting or engaging in any Competitive Business, call upon, solicit, advise or otherwise do, or attempt to do, business with any former customers of Seller, or take away or interfere or attempt to interfere with any former customer, trade, business or patronage of Seller relating to such Competitive Business of Seller or any affiliate of Seller as continued by Purchaser or any of its subsidiaries (the "Continued Business"); or

(3) interfere with or attempt to interfere with any officers, employees, representatives or agents of Purchaser or any of its subsidiaries in the conduct of the Continued Business, or hire or solicit for hire any officers or employees of Purchaser or any of its subsidiaries who are former employees of Seller or any affiliate of Seller.

(ii) The following shall not be a violation of this Agreement:

(1) ownership by Seller or Hanger of any interest in a Competitive Business which arises solely from the ownership of less than a five percent (5%) equity interest in a corporation, partnership or other entity; or

(2) engaging, consistent with current practices, in the operation of the Sea Fab facilities, patient care facilities with fabrication capability and market fabrication centers, and market fabrication centers ("market fabrication centers," such as those currently operated by Hanger in Chicago, Illinois, Philadelphia,

Pennsylvania and Newington, Connecticut, are facilities which provide fabrication services to a small number of local Hanger patient care facilities but which do not engage in commercial sales to non-Hanger customers); or

(3) engaging in the sale of the Hanger Select branded line of prosthetic devices as in existence on or before the Closing Date and supplied by Purchaser after the Closing Date, for so long as Hanger owns Southern Prosthetic Supply, Inc.

(iii) Seller acknowledges that the failure to comply with the provisions of this Section 4.1(k) will result in irreparable and continuing damage to Purchaser for which there will be no adequate remedy at law and that, in the event of such failure, Purchaser and its successors and assigns shall be entitled to injunctive relief and to such other and further relief as may be proper and necessary to ensure compliance with the provisions of this Section 4.1(k).

(l) Covenant to Change Name. Seller shall provide Purchaser with evidence, including, without limitation, certified copies of directors' and shareholders' resolutions and an amended Certificate of Incorporation, verifying that Seller has liquidated and dissolved or has changed its name to eliminate "Seattle Orthopedic" therefrom and has changed any filings with regard to assumed names, qualifications to conduct business as a foreign corporation and the like as necessary to permit Purchaser to assume the trade name "Seattle Orthopedic." Seller shall file such documents in the office of the Delaware Secretary of State and with all other relevant offices and agencies as soon as practicable but not later than ten (10) business days after Closing.

(m) Intellectual Property. At Purchaser's expense, Seller and Hanger shall promptly record in all relevant governmental offices the assignment to Purchaser of all issuances, registrations, and applications for patents, trademarks, and copyrights being conveyed to Purchaser pursuant to this Agreement. Hanger and Seller agree not to adopt, use, register, or apply to register a trademark, service mark, trade dress, tradename, corporate name, domain name or any other indication of origin or sponsorship that is confusingly similar to any trademark, service mark, trade dress, tradename, or corporate name conveyed to Purchaser pursuant to this Agreement.

4.2 Covenants of Purchaser. Purchaser hereby covenants and agrees with Seller as follows:

(a) Confidentiality. Until the Effective Time, Purchaser shall hold in strict confidence all documents and information concerning Hanger and Seller furnished to Purchaser and its representatives in connection with the transactions contemplated by this Agreement and shall not release or disclose such information to any other person, except as required by law, and except to Purchaser's accountants, attorneys, financial advisors and employees in connection with this Agreement with the same undertaking of strict confidence being first obtained from such accountants, attorneys, financial advisors and employees. If the transactions contemplated by this Agreement shall not be consummated, such confidence shall be maintained and such information shall not be used in competition with Seller and all such documents shall immediately after termination of this Agreement be returned to Hanger or Seller, as may be appropriate. Notwithstanding the foregoing, such information shall not be considered confidential if it (i) was already in Purchaser's possession, (ii) is or becomes generally available to the public other than as a result of disclosure by Purchaser and its representatives, (iii) becomes available to Purchaser on a non-confidential basis from a source other than Hanger or Seller; or (iv) is independently developed by Purchaser through persons who have not had, directly or indirectly, access to any non-public information.

(b) Approvals, Consents and Other Matters. Purchaser shall take all necessary action and use its best efforts to obtain any approvals of regulatory authorities, consents and other approvals required to carry out the transactions contemplated by this Agreement, including, without limitation, those required under federal and state securities laws known by Purchaser to be applicable to the transactions contemplated hereby, and shall cooperate with Seller and Hanger to obtain all such approvals and consents.

(c) Notification of Certain Matters. Subsequent to the date of this Agreement and on or prior to the Effective Time, Purchaser shall promptly notify Seller of the following:

(i) the receipt of any notice or other communication from any third party whose consent or approval is or may be required in connection with the transactions contemplated by this Agreement, denying such consent or approval;

(ii) the receipt of any notice or other communication from any governmental regulatory agency or authority in connection with the transactions contemplated hereby; and

(iii) any condition or fact which would not permit it to satisfy any of the conditions set forth in Section 5.2 hereto.

(d) Sales, Use and Transfer Taxes. Purchaser agrees that Purchaser shall be solely liable for the payment by Purchaser of all sales, use and transfer taxes relating to the transactions which are the subject of this Agreement, other than the income taxes of Seller and/or Hanger relating to their sale of the Purchased Assets hereunder to Purchaser.

(e) Shapemaker Carvers. Purchaser agrees to do all acts necessary to maintain the Shapemaker carvers and related software in the facilities of Hanger and its subsidiaries for a price equal to the actual cost of Purchaser plus twenty percent (20%). Purchaser further agrees to upgrade the Shapemaker carvers and software in the facilities of Hanger and its subsidiaries for a price to be mutually agreed upon by Purchaser and Hanger.

(f) Employee Health Coverage.

For purposes of providing such coverage, Purchaser shall waive all preexisting condition limitations for all such Employees who were covered by the Seller's health and welfare plans as of such date of termination of the Transition Services Agreement and shall provide such health and welfare coverages effective as of such date without the application of any eligibility period for coverage. In addition, Purchaser shall credit all Employee payments toward deductible, out-of-pocket and co-payment obligation limits under Seller's health and welfare plans for the plan year that includes the termination date the Transition Services Agreement as if such payments had been made for similar purposes under Purchaser's health and welfare plans during the plan year that includes the termination date of the Transition Services Agreement, with respect to the Employees and the dependents of such Employees who become employed by Purchaser as of the date the Services Agreement terminates.

(ii) With respect to all group health plans, Purchaser shall retain full responsibility and liability for compliance with the continuation health care coverage requirements of Code Section 4980B and ERISA Sections 601 through 608 (the "Continuation Coverage Requirements") for all qualifying events with respect to the Employees within the meaning of Section 4980B(f)(3) of the Code and Section 603 of ERISA. On or after the termination date of the Transition Services Agreement, Purchaser also shall comply with the Continuation Coverage Requirements with respect to all qualifying events affecting any former employees of the Purchaser who were subject to the Transition Services Agreement and any qualifying beneficiary of such former employee which occurred prior to the termination date of the Transition Services Agreement. Purchaser shall hold Seller, Hanger and any entity required to be combined with Seller and/or Hanger (within the meaning of Sections 414(b), (c), (m) or (i) of the Code) harmless from and fully indemnify them against any costs, expenses, losses, damages and liabilities incurred or suffered by them directly or indirectly, including, but not limited to, reasonable attorneys' fees and expenses, which relate to such continuation coverage. Seller shall offer no inducement to any Employee to elect continuation coverage with respect to any group health plan of Purchaser.

Purchaser agrees to indemnify and hold harmless each of Seller and Hanger through and after the date of the claim for indemnification (including any loss, injury, damages or deficiency which Seller or Hanger may suffer after the end of any applicable survival period) resulting from, arising out of, relating to, in the nature of or caused by any of the following:

(a) Any and all loss, injury, damage or deficiency resulting from any misrepresentation or breach of warranty by Purchaser under Section 3.3 of this Agreement, provided that Seller or Hanger makes a written claim for indemnification against Purchaser pursuant to Section 6.3 below within any applicable survival period set forth below;

(b) Any and all loss, injury, damage or deficiency resulting from any non-fulfillment of any covenant or agreement on the part of Purchaser under this Agreement, provided that Seller or Hanger makes a written claim for indemnification against Purchaser pursuant to Section 6.3 below within any applicable survival period set forth below;

(c) Any and all loss, injury, damage or deficiency which arise out of or relate to the operation or conduct of the Business or the ownership of the Purchased Assets after the Closing, or any incident, occurrence, condition or claim arising or accruing after the Closing and relating to the operation of the Business or the ownership or use of the Purchased Assets after the Closing, provided that Seller or Hanger makes a written claim for indemnification pursuant to Section 6.3 below within any applicable survival period set forth below; and

(d) Any and all actions, suits, proceedings, hearings, investigations, charges, complaints, claims, demands, injunctions, judgments, orders, decrees, rulings, damages, dues, penalties, fines, costs, amounts paid in settlement, liabilities, obligations, taxes, liens, losses, expenses and fees (including court costs and reasonable attorneys' fees and expenses) incident to any of the foregoing.

Except as hereinafter specifically provided, no indemnification nor liability shall be due or payable by Purchaser under Section 6.2(a) and (c) hereof (as it relates to Section 6.2(a)) unless and until the aggregate amount of indemnification which Seller and/or Hanger would otherwise be entitled to receive pursuant to Section 6.2(a) and (c) hereof (as it relates to Section 6.2(a)) exceeds \$500,000, at which point Purchaser shall be liable to indemnify Seller and Hanger for such initial \$500,000 amount and thereafter indemnify Seller and Hanger for all amounts which do not exceed an aggregate total of \$7,500,000 (inclusive of such initial \$500,000 amount); provided, however, that notwithstanding the foregoing or anything else contained in this Agreement to the contrary, the Purchaser shall indemnify Hanger and the Seller from any and all liability whatsoever in any amount in the event of any liability to Hanger and/or Seller with regard to the Purchaser's use of Hanger's trademark, logo and goodwill under Section 1.4(a)(ii) hereof. Except as

provided in the preceding sentence, the maximum liability of Purchaser under this Section 6.2 shall not exceed \$7,500,000.

6.3 Procedures for Indemnification. Promptly after receipt by an indemnified party ("Indemnatee") pursuant to the provisions of this Article VI of notice of the commencement of any action, claim or proceeding involving the subject matter of the foregoing indemnity provisions, such Indemnatee shall, if a claim thereof is to be made against an indemnifying party ("Indemnitor") pursuant to the provisions of this Article VI, provide such Indemnitor with a certificate signed by the Indemnatee or its authorized representative: (i) stating that the Indemnatee has paid or accrued (or intends to pay or accrue) amounts ("Indemnifiable Damages") to which it is entitled to indemnification pursuant to Article VI and the amount thereof (to the extent then known); and (ii) specifying to the extent possible (A) the individual items of loss, damage, liability, cost, expense or deficiency included in the amount so stated, (B) the date each such item was or will be paid or accrued and (C) the basis upon which Indemnifiable Damages are claimed; provided, however, that the omission to so notify such Indemnitor shall not relieve such Indemnitor from any liability which it may have to the Indemnatee otherwise than hereunder. If the Indemnitor shall object to such Notice of Claim, the Indemnitor shall simultaneously deliver a written notice of objection ("Notice of Objection") by the Indemnitor (which shall set forth the grounds upon which the objection is based and state whether the Indemnitor objects to all or only a portion of the matter described in the Notice of Claim) to the Indemnatee within fifteen (15) days after the Indemnatee's delivery of the Notice of Claim. If the Notice of Objection shall not have been so delivered within such fifteen (15) day period, all Indemnitors shall be conclusively deemed to have acknowledged the correctness of the claim or claims specified in the Notice of Claim for the full amount thereof, and the Indemnifiable Damages set forth in the Notice of Claim shall be promptly paid to the Indemnatee by the Indemnitor. If the Indemnitor shall make timely objection to a claim or claims set forth in any Notice of Claim, and if such claim or claims shall not have been resolved or compromised within sixty (60) days from the date of delivery of the Notice of Objection, then such claims shall be settled by arbitration pursuant to Section 8.17 hereof. The arbitrator shall promptly obtain such information regarding the matter that the arbitrator deems necessary and shall decide the matter and render a written award which shall be delivered to the Indemnitor and Indemnatee. Any award shall be a conclusive determination of the matter and shall be binding upon the Indemnitor and Indemnatee. If, by arbitration, it shall be determined that the Indemnatee shall be entitled to any Indemnifiable Damages by reason of its claim or claims, the Indemnifiable Damages so determined shall be paid to the Indemnatee by the Indemnitor in the same manner as if the Indemnatee had not delivered a Notice of Objection. In case such action, claim or proceeding is brought against an Indemnitor and it notifies the Indemnitor of the commencement thereof, the Indemnitor shall have the right to participate in, and, to the extent that it may wish, to assume the defense or conduct thereof, with counsel reasonably satisfactory to such Indemnitor; provided, however, if the defendants in any action include both the Indemnitor and the Indemnitor and the Indemnitor shall have reasonably concluded that there may be legal defenses available to it which are different from or additional to those available to the Indemnitor, or if there is a conflict of interest which would prevent counsel for the Indemnitor from also representing the Indemnitor, the Indemnitor shall have the right to select separate counsel to participate in the defense of such action on behalf of such Indemnitor. After notice from the Indemnitor to such Indemnitor of its election so to assume the defense thereof, the Indemnitor shall not be liable to the Indemnitor for any legal or other expense subsequently incurred by such Indemnitor in connection with the defense thereof other than reasonable costs of investigation, unless (i) the Indemnitor

shall have employed counsel in accordance with the proviso of the preceding sentence, (ii) the Indemnitor shall not have employed counsel satisfactory to the Indemnatee to represent the Indemnatee within a reasonable time after the notice of the commencement of the action, or (iii) the Indemnitor has authorized the employment of counsel for the Indemnatee at the expense of the Indemnitor. No Indemnitor, in the defense of any such claim or litigation, shall, except with the consent of each Indemnatee, consent to entry of any judgment or enter into any settlement which does not include as an unconditional term thereof the release from all liability in respect to such claim or litigation. In the event the proceeding is a tax audit, the Indemnatee shall not take any action, including, without limitation, the extension of any applicable limitations period, without the express written consent of the Indemnitor, which consent shall not be unreasonably withheld.

ARTICLE VII

Termination

7.1 Termination. This Agreement may be terminated and the transactions contemplated hereby abandoned at any time prior to the Effective Time:

(a) by mutual consent of the Boards of Directors of Purchaser and Seller; or

(b) by either Purchaser or Seller if (i) any of the conditions to their respective obligations specified in Article VII hereof have not been satisfied or waived prior to October 9, 2001, or (ii) the transactions contemplated hereby shall not have been consummated on or before October 9, 2001; provided, however, that the right to terminate this Agreement pursuant to this Section 7.1(b) shall not be available to any party whose failure to fulfill any obligation under this Agreement shall have been the cause of, or resulted in, the failure of any of the conditions specified in Article V that are required to have been satisfied prior to the consummation of the transactions contemplated hereby.

7.2 Effect of Termination. In the event of the termination of this Agreement by either Purchaser or Seller, as provided above, this Agreement shall thereafter become void and there shall be no liability on the part of any party hereto or their respective directors, officers, stockholders or agents, except as provided in Sections 4.1(f), 4.2(a), 8.2 and 8.3 hereof and except that any such termination shall be without prejudice to the rights of any party hereto arising out of the willful breach by any other party of any covenant or agreement contained in this Agreement.

ARTICLE VIII

Miscellaneous

8.1 Survival of Representations and Warranties. The representations and warranties of Purchaser, Seller and Hanger in this Agreement shall survive the Effective Time until the second anniversary of the Closing Date, except as follows:

(a) the representations and warranties contained in Section 3.1(i) (Tax Matters) shall survive until ninety (90) days following the expiration of the statute of limitations applicable to Taxes subject to such provision;

(b) claims based upon the inaccuracy or breach of a representation or warranty which was made fraudulently and the representations and warranties contained in Sections 3.1(e) (Capitalization), Section 3.1(l) (Title to Assets) and Section 3.1(aa) (Environmental Matters) shall survive indefinitely; and

(c) any representation or warranty that would otherwise terminate on any date determined in accordance with the foregoing shall continue to survive only with respect to a particular claim for indemnity made under Article VI on or prior to such date, until such claim has been satisfied or otherwise resolved.

8.2 Risk of Loss. Unless otherwise noted in this Agreement, all risk of damage or loss of any sort from any cause with respect to the Purchased Assets shall remain with Seller until the Effective Time and shall be with Purchaser after the Effective Time.

8.3 Expenses. Each of the parties shall bear its own costs and expenses incurred in connection with this Agreement and the transactions contemplated hereby (except as otherwise provided herein).

8.4 Notices. or to such other address with respect to any party as such party shall notify the others in writing as above provided.

8.5 Amendments. This Agreement may not be amended, modified or supplemented except by written agreement of the parties hereto.

8.6 Waiver. At any time prior to the Effective Time, Purchaser or Seller may (i) extend the time for the performance of any of the obligations or other acts of the other party hereto, (ii) waive any inaccuracies in the representations and warranties of the other party contained herein or in any document delivered pursuant hereto and (iii) waive compliance with any of the obligations of the other party or any of the conditions to its own obligations contained herein to the extent permitted by law. Any agreement on the part of Purchaser and Seller to any such extension or waiver shall be valid only if set forth in an instrument in writing signed on behalf of Purchaser and Seller. Any such agreement on the part of Seller shall also be binding upon Hanger.

8.7 Publicity. Any public announcement or press release concerning the transactions contemplated by this Agreement shall require the prior approval of all parties hereto both as to the making of such announcement or release and as to the form and content thereof, except to the extent that a party is

advised by counsel, in good faith, that such announcement or release is required as a matter of law, judicial or administrative order, or rule or regulation of the Securities and Exchange Commission or other applicable securities exchange, and full opportunity for prior consultation is afforded to the other parties to the extent practicable.

8.8 Headings. The headings contained in this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement.

8.9 Assignment of Agreement. Neither this Agreement nor any of the rights or obligations hereunder may be assigned by Purchaser, Seller or Hanger, whether by operation of law, asset or stock sale or otherwise, without the prior written consent of the other parties hereto; provided, however, that USMC may, without obtaining the consent of Seller or Hanger, assign its rights and delegate its obligations under this Agreement to any Assignee Purchaser so long as USMC remains fully liable for the indemnification of Seller and Hanger as provided under Section 6.2 of this Agreement for any matter for which USMC, Purchaser or the Assignee Purchaser may be responsible or liable under the terms of this Agreement.

8.10 Parties in Interest. This Agreement shall be binding upon and inure solely to the benefit of the parties hereto and their successors and permitted assigns, and nothing in this Agreement, expressed or implied, is intended to confer upon any other person any rights or remedies of any nature under or by reason of this Agreement.

8.11 Counterparts. This Agreement may be executed in one or more counterparts, each of which shall be deemed to constitute an original and shall become effective when one or more counterparts have been signed by each of the parties hereto.

8.12 Governing Law. This Agreement shall be governed by and construed and enforced in accordance with the laws of the State of Delaware, without regard to its conflicts of law rules.

8.13 Severability. If any term, provision, covenant or restriction of this Agreement is held by a court of competent jurisdiction to be invalid, void or unenforceable, the remainder of the terms, provisions, covenants and restrictions of this Agreement shall remain in full force and effect and shall in no way be affected, impaired or invalidated. It is hereby stipulated and declared to be the intention of the parties that they would have executed the remaining terms, provisions, covenants and restrictions without including any of such which may be hereafter declared invalid, void or unenforceable.

8.14 Remedies. Except as otherwise provided in this Section 8.14, nothing contained herein is intended to or shall be construed so as to limit the remedies which any party may have against the others in the event of a breach by any party of any representation, warranty, covenant or agreement made under or pursuant to this Agreement, it being intended that any remedies shall be cumulative and not exclusive. Notwithstanding any contrary provision in this Agreement, in the absence of fraud, the indemnification provisions contained in Article VI hereof shall constitute the sole and exclusive remedy for any breach of a representation or warranty (but not a covenant) of any party to this Agreement.

8.15 Entire Agreement. This Agreement constitutes the entire agreement among the parties hereto and supersedes all prior agreements and understandings oral or written, among the parties hereto with respect to the subject matter hereof and thereof.

8.16 Further Assurances. Subject to the terms and conditions of this Agreement, each of the parties hereto shall use commercially reasonable efforts to take, or cause to be taken all actions, and to do, or cause to be done, all things necessary, proper or advisable under applicable laws and regulations to consummate and make effective the transactions contemplated by this Agreement. From time to time after the Effective Time, without further consideration, Seller and Hanger shall, at their own expense, execute and deliver such documents to Purchaser as Purchaser may reasonably request in order more effectively to vest in Purchaser good title to the Purchased Assets.

8.17 Arbitration. Except as hereafter provided in this Section 8.17, any dispute or claim arising out of this Agreement, or breach thereof, shall be decided by arbitration, under the commercial arbitration rules of the CPR Institute for Dispute Resolution (the "CPR"), and shall be conducted in the Washington, D.C. metropolitan area. Demand for arbitration hereunder may be made by any party hereto upon written notification to the other parties. The arbitration shall be by a single arbitrator mutually selected by Purchaser and Seller; provided, however, that Purchaser and Seller may agree that any arbitration hereunder shall be before a mutually selected panel of arbitrators. If Purchaser and Seller do not agree within 20 days after the date of a demand for such arbitrator, the selection of the single arbitrator or panel shall be made in accordance with the rules of the CPR. This agreement to arbitrate shall be specifically enforceable. Any decision rendered by the arbitrator (or panel) shall be final and binding, and judgment may be entered upon it by any court having jurisdiction. The arbitrator shall assess arbitration fees, expenses and attorneys' fees with respect to matters subject thereto, and otherwise to the prevailing party in accordance with applicable CPR rules. Nothing herein contained shall bar either party from seeking equitable remedies in a court of appropriate jurisdiction.
